PARTICIPATORY BUDGETING 2020

Come along to
decide about public funds

Tuusula develops together with its citizens

Participatory budgeting is one way for you to participate in the development of your own living environment or the entire municipality and decide to which 100 000 euros will be allocated in 2020.

You'll get to brainstorm ideas about uses, develop ideas into proposals to be voted on and, finally, in February, to vote which of the proposals are to be implemented. When you so wish, you can also join in to put the winning proposals into practice together with others. The total sum available for use is 100 000 euros. It will be distributed between the entire municipality and districts.

- The entire Tuusula 40 000 €
- Southern Tuusula villages 13 000 €
- Hyrylä 19 000 €
- Jokela (including Jäniksenlinna, Laululaakso, Purola and Vanhakylä) 11 000 €
- Kellokoski 8 000 €
- Riihikallio 8 500 €
